Call for MSc. Bioinformatics scholarship applications
Deadline: 21st November, 2024

Interested candidates are advised to apply simultaneously for admission into the MSc. Bioinformatics programme at Pwani University and to the DAAD In-Country/In-Region Scholarship Programme through the DAAD portal.

For more information about the scholarship programme:
https://static.daad.de/media/daad_de/pdfs_nicht_barrierefrei/im-ausland-studieren-forschen-lehren/_st32_call_for_scholarship_applications_kenya_pwani_ma.pdf

To apply for admission to Pwani University: https://www.pu.ac.ke/index.php/academics1/admissions/how-to-apply

Important: All documents submitted to the DAAD must also be attached to the application for admission at Pwani University, including all academic and professional documents, updated CV, references, motivation letter and project concept.

NB: Processing fee of KES 3000 for East Africans and KES 4000 for non-East Africans is **not** required for DAAD applicants at the time of application. The processing fee shall be payable by the final DAAD scholarship awardees.
For further information on the admission process, please contact our Admissions Officer, Mr. Said Mwinyi (s.mwinyi@pu.ac.ke)

Minimum academic requirements:
BSc. Second Class Honours Upper Division in Biosciences/ Computer Sciences or equivalent from a recognized institution. For any queries about the programme, please contact the Programme Co-ordinator, Professor Suhaila Hashim (s.hashim@pu.ac.ke)
