

**Dr. Sophie Mkawasi Uyoga**

Molecular Immunologist

KEMRI Wellcome Trust Research Programme
P.O. Box 230-80108, Kilifi, Kenya

Lecturer,
Department of Biological Sciences,
School of Pure and Applied Sciences,
Pwani University, Kilifi, Kenya.

E-Mail: suyoga@kemri-wellcome.org

EDUCATION:

Ph.D. (Science), University of Heidelberg, Germany, 2012

M.Sc. (Immunology), University of Manchester, United Kingdom, 2009

B.Sc. (Science), Jomo Kenyatta University of Agriculture and Technology, Kenya, 2004

AREAS OF INTEREST

Interactions between host immunity and genetics in relation to infectious diseases.

Understanding the mechanisms behind the development and treatment of severe anaemia with focus on the role of red blood cell genetics and quality of donor blood on recovery and survival post-transfusion.

RESEARCH WORK

Contribution of non-parasitized red blood cell loss to development of severe malaria anaemia. **2009-2012**

Effect of lucose-6-phosphate dehydrogenase deficiency in the development of severe malaria. **2009-2012**

Role of host genetic factors in the development of severe malaria and other infections among children living within the Kilifi Health and Demographic Surveillance System (KHDSS). **(2006-2016)**

Transfusion and Treatment of Severe Anaemia in African Children: a randomized controlled Trial (TRACT) **2014-2017**

IDEAL Mid Career Research fellowship: The quality and safety of donor blood or its effect on outcome. **2016-2020**

SUPERVISION

Rop Jesse Cheruiyot: January – August 2015 Post Graduate Diploma Pwani University
Project title: The effect of Glucose-6-phosphate dehydrogenase deficiency on red blood cell morphology

Charles Kamau: January – August 2016 Post Graduate Diploma Pwani University
Project title: Blood Transfusion Services – A situational analysis of the Coastal region of Kenya.

Eva Mwangome: January – August 2017 Post Graduate Diploma Pwani University
Project title: Blood Transfusion Services – A situational analysis of the donor mobilization and service delivery in Coastal Kenya.

AFFILIATIONS

1. Member: International Society of Blood Transfusion
2. Member – African Society for Blood Transfusion (ASBT)
3. Member - International Union of Immunological Societies (IUIS)
